

MyBenefits Registration

Pre-Registration

Upon navigation to either online.metlife.com/benefits or mybenefits.metlife.com, you'll see the screen on the right:

Enter the name of your employer or organization into the field in the upper-right corner. A drop-down menu of organizations may appear with options to choose from (if more than one match is found, select the organization you want to register and click "Next").

You'll be taken to a screen that asks you to select whether you would like to login or create a new account. The interface may vary.

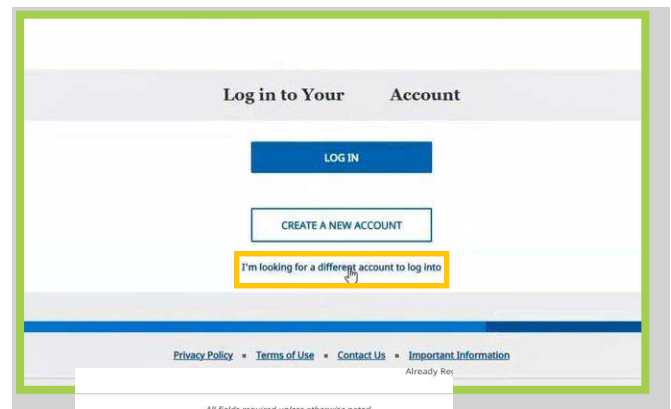

Regardless of the interface, select **"Create a New Account"** or **"Register Now."**

If you believe you have selected the wrong organization, click on the link that reads **"I'm looking for a different account to log into"**. This link will take you back to the screen where you can choose a different organization.

Registration

From here, you'll be taken to Step 1 of the registration process.

1. Enter your first name, last name, email address
2. Select the type of phone number you have (mobile or landline) and enter your phone number
3. Enter your DOB, zip code, state
4. After entering all this information, you may be prompted to enter information specific to your employer or organization, depending on how your organization has set up its registration process. For example, you may be asked to enter your Employee ID or SSN. Upon entering the information, click **"Next"**.

All fields required unless otherwise noted.

First Name

Last Name

Email

Personal email is recommended.

Phone Type

Date of Birth
mm/dd/yyyy

Zip Code

State of Residence

Please enter the following information to identify as an associate of this organization.

Social Security Number
XXX-XX-XXXX

Navigating Life Together

© 2023 MetLife Services and Solutions, LLC
L1222027869 [exp1224] All US States.

Registration Continued

If your identifying information does not match publicly available information about your identity, you may be prevented from creating an account.

Next, you'll be asked to verify your identity via a **verification code** on the screen below. Select whether you'd like to receive the code via text message or voice message, and sometimes an email if that information is already available to MetLife.

You'll be taken to the 2nd screen on the right. Retrieve the code, then enter it in the text field. The code will expire after 15 minutes, in which case you will need to generate another code. Click **"Next"**.

Your email address will be a suggested username in the first text field. We recommend using this as your username, but you may change it.

Enter and confirm your desired password in the next two text fields.

If you'd like MetLife to remember your device, so that you don't have to verify your identity every time you login to your online account, select the **"Remember this Device"** checkbox. Your device will be remembered for a maximum of six months.

Choose whether you'd like to receive paperless documents by selecting one of the radio buttons at the bottom of the page. You may view the eConsent Policy by clicking on the relevant links. Click **"Submit"**. Upon successful submission, you should receive a congratulatory confirmation message.

Finally, select **"Go To Dashboard"** and you will be taken to your Dashboard.

The image displays a sequence of five screenshots from the MetLife registration process, connected by yellow arrows indicating the flow. The first screenshot shows the 'Identity Verification' step, where users are asked to select how they want to receive a verification code: via text message, voice message, or email. The second screenshot shows the 'Enter your code' step, where users are prompted to enter their code within a 14:23 time limit. The third screenshot shows the 'Create your Username and Password' step, where users are asked to enter their username, password, and confirm their password, with an option to 'Remember this device'. The fourth screenshot shows a 'Thank you, C S' message, indicating successful registration, with a 'GO TO DASHBOARD' button. The fifth screenshot shows the 'Welcome to MyBenefits!' dashboard, where users are greeted and offered various services and links.
